

LX400 Waterproof matt synthetic inkjet permanent label stock

Label Power provides a range of ex-stock standard sizes and custom-made labels for your LX400 label printer. All labels and tags are supplied in a format to suit the LX400 including core size and outer roll diameter.

For extra demanding applications clear overlabs will give extra UV and scuff protection. They are supplied at the same price as the gloss paper. If you require clear overlabs please mark below.

Mix and match – order 10 rolls over different sizes and pay the 10+ roll price.

Prices quoted on this order form are for waterproof matt synthetic. Prices for gloss, semi-gloss and synthetic are available on request. For more information about stock selection please visit our website at www.labelpower.com.au or contact our sales team on **07 3710 7000** or sales@labelpower.com.au

 I am interested in investing in my own LX400 colour label printer

Label Power is Australia's specialist distributor of the Primera LX400. Label Power recommends that only approved label and tag stocks be used with the LX400 and will not be held responsible for machine failure due to the incorrect label or tag materials being used. A copy of our terms and conditions of sale is available on request.
All prices are exclusive of GST, do not include delivery charges and are subject to change without prior notice.
